## First Aid Policy

This policy sets out how we at Gaelscoil Uí Fhiaich deliver First Aid and the roles and responsibilities of all Staff in administering First Aid. The aim of First Aid is to ensure that any immediate danger and discomfort is alleviated.

### Awareness of Medical Needs

- On our School's Enrolment Form, Parents are required to record any medical condition or allergy from which their child may suffer.
- It is the Parent's responsibility to notify the School of any changes in their child's medical status.
- A screened board in the staffroom displays photographs of children with medical needs/allergies to keep all staff informed. Class list on Aladdin record medical needs /allergies of children as notified to the school by parents.
- If a child is taken ill whilst in the classroom, the Teacher will assess the condition of the child and if they feel that the child needs to go home they will ask the office to contact parents or guardians.

### Administration of Medicines

- School staff will not administer medicines unless written permission has been given by a parent.
- Parents may administer medicines during the school day themselves by prior arrangement with the school.

- Any child with an existing medical condition that may require hands on medical attention will have advised the school and class teacher and provided any medication (such as epipen) to ensure the appropriate care is given under the correct circumstances.
- Parents of children who have provided medication as outlined above must ensure that all medicines to be administered are in the original container, clearly labelled with the child's name, dosage and frequency.
- It is the responsibility of parents to ensure that medication held in school is within it's use by/expiry date.

## First Aid

- If a child suffers an injury, it will be assessed by the staff member nearest to the child.
- A designated teacher is responsible for first aid as part of the lunch supervision rota.
- All staff (27/04/22) have received first aid/AED training and is certified until 14/02/24
- All staff will be expected to deal with all instances of minor first aid.
- Disposable surgical gloves are provided.
- A minor cut will be cleaned with an antiseptic wipe.
- Plasters to be used where the staff deem appropriate.
- Ice-packs are provided for bumps and swelling.
- In the event of an emergency, if any adult in school is concerned for the health and safety of the child following an injury, they must call 999/112.
- Children will only be taken to hospital by ambulance or directly by their Parents.
- Injuries obtained off-site during school trips will be dealt with in the manner outlined above.
- After School Clubs will follow the same First Aid procedures.

## First Aid Station

The First Aid Station is located in the corridor opposite the staffroom.

First Aid kits are held in the staffroom by the door and in the principal's office. The secretary has access to and can provide additional first aid supplies as required.

Secretary and principal review and replenish first aid materials as required.

## Contents of First Aid Box

- Dressings
- Disposable Gloves
- Antiseptic wipes
- Adherent tape
- Hypoallergenic plasters
- Bandages
- Portable ice-packs.
- Scissors

## Informing Parents and Logging Injuries

Where the child is very distressed or the injury is significant, Parents will be informed by phone.

- Parents are notified of all head injuries.
- The teacher on duty will decide what constitutes a significant injury. They will make a common sense judgement as any responsible Parent would, and take into account the specific needs of the child concerned.
- The teacher on first aid duty, with the assistance of the teacher on yard duty will record details of how the injury occurred.
- All injuries, however insignificant, must be recorded in our Yard Incident Book.

- When informing Parents by phone, the first named parent should be phoned first and a voice message left if it is not possible to speak directly. If the Secretary has not been able to speak directly to the first named parent, then the second named parent should be contacted and a voice message left if necessary. In the case of a serious injury', if no contact is made an ambulance is called.

## Provision for First Aid

- All of the medical supplies will be monitored and replenished as necessary. All Staff are responsible for alerting the Principal or secretary if they become aware that a particular First Aid Kit requires re-stocking.

## Dealing with Common Illnesses and Infections

- Any child who suffers from diarrhoea or vomiting during the school day will be required to be collected and taken home.
- Any child who has suffered from diarrhoea or vomiting should not return to school until they have been completely clear of symptoms for 24 hours.
- In the event of a case of headlice parents of other other children in that class will be sent a standard letter by email regarding headlice treatment , asking their Parents to inspect their heads and to treat any infestation accordingly.
- The Parents of any child suspected of having a highly infectious condition will be contacted. If the infection is severe, they will be asked to collect the child. If it is minor they will be asked to seek advice about treatment from their GP.
- Parents can seek advice from the HSE about other common illnesses and infections.

## Intimate Care

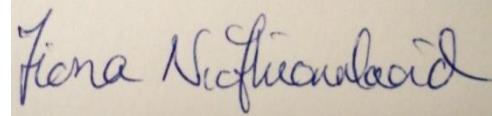

Intimate Care is the attending to the needs of children who have wet or soiled themselves either by accident or due to medical or developmental reasons.

- If staff become aware of an instance of soiling, the Parent or Carer will be asked to come to the school and to attend to any of the intimate needs of the child. However, if the Parent or Carer is not able to attend, then the following guidance should be followed.
- Staff must ensure that another colleague is aware that a child's intimate care needs is being supported.
- In line with the School's Child Protection policy Staff should aim to remain potentially visible to colleagues, whilst providing privacy for the child, for example, keep the door slightly ajar.
- Talk to the child throughout, making clear what is happening. If necessary, a second adult can be summoned.
- The child should be involved as much as possible in his or her own intimate care.
- Protective gloves should be worn. A supply of spare underwear and tracksuit bottoms is kept in the cupboard outside the hall.
- Care should be taken to dispose of any soiled wipes, bagged and disposed directly into the main outside bin.
- Soiled clothing should be placed in a plastic bag and tied firmly for returning to Parents.
- Every child must be treated with dignity and respect. Privacy should be ensured appropriate to the child's age and situation.
- Allow the child to be as independent as possible, in particular with removing underwear. Support the children in doing all that they can for themselves.
- Sanitary Pads and clean underwear will be available to the Senior Classes.
- If a member of staff has concerns about managing personal or intimate care then they should make these known to the Principal.

This policy will be monitored on an ongoing basis and amendments added as new technology comes on stream.
